"Knowing and sharing the good news of Hope in Christ"

Pastor Lauren Chambers

Pastor's Message

Looking Back and Looking Forward

Now that we are into November (and soon… December!!!), I find myself wanting to pause. It is so easy to immediately jump ahead to the hustle and bustle of Advent preparation, but before we turn our eyes to the manger, I think it's good to reflect on the year that has passed.

November marks the conclusion of my first full year here at Hope. At the same time, the church calendar is preparing for the start of a brand-new year. Standing at this crossroads of endings and new beginnings has given me the perfect opportunity to look back on where we've been, while eagerly looking forward to where we are going.

To say this past year has been full of surprises would be an understatement! Together, we have experienced a full spectrum of community life: deep joy, and shared grief (*"For everything there is a season." — Ecclesiastes 3:1).*

When I think back on the last twelve months, a wild and wonderful montage plays in my mind. We've shared everything from Christmas Eve party blowers, to an Easter full of "Nothing", to an outdoor blessing of the animals service. We've watched a 70-foot exterior ladder go from an idea to a reality, and we've leaned into the vulnerability of trying new things.

Through it all, the thing I am most overwhelmed by is gratitude. I am so incredibly thankful for your warmth, your trust, and your immense willingness to try it all with me. A church community that is able to experiment, laugh, mourn, and adapt together is a rare and beautiful gift.

As we begin to move forward and start preparing our hearts to receive the joy of our Immanuel, our Christ among us, I wanted a theme that would extend beyond the Advent season into Epiphany. Not only that, but I wanted to find a way for our Advent series to go beyond Sunday mornings and truly engage folks throughout the week.

This year, we will be incorporating Illustrated Ministry's *A Thrill of Hope* resources into our corporate worship and daily rhythms. They offer take-home devotionals for personal use as well as a comprehensive study guide if you would like to use these devotionals for a small group or Bible study setting.

All Ages Candlelight Worship with communion

December 24th at 4pm

A Message from your Council President

The weather is already cooling off, and the days are getting shorter. On our last warm weekend, we held our worship service outside. (Who knew what a warm and comfortable weekend it would be?) Several people came together to plan the service, and everyone seemed to appreciate it and enjoyed the change. Attendance was good, and we even had a couple of visitors. At the outdoor service, we honored St. Francis of Assisi, who is, for lack of a better term, the patron saint of pets. At one point in the service, people were invited to come forward with their pets or pictures of their pets or stuffed animals, all for a special blessing. Pastor Lauren incorporated the Prayer of St. Francis, also known as the Peace Prayer, into the service. If you're not sure what it is, Google it, and you will recognize it right away.

As Hope's circumstances and members' mobility change, our activities respond by adapting to our needs. For many years, the men of Hope met two Saturdays each month for a hearty breakfast and Bible study. After the meal, the pastor led a discussion on the topic at hand. Most recently, we learned about Christians from the past whose lives set an example for us all. We no longer have critical mass to keep this group going as it has been. In its place, men might consider joining an ecumenical group for Bible study. Here is a description of that group:

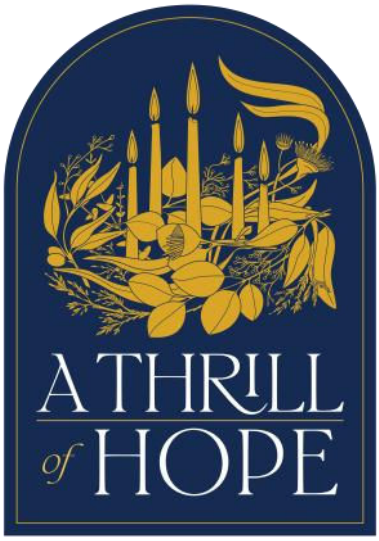

> *For many years, a men's group called Bible Study Fellowship has met weekly in Nielsen Hall. This group forms a local chapter of a national organization of the same name. I have attended the weekly lessons since the new academic year started in September. The study guide is excellent, and there are thought-provoking questions for members to ponder as they do the reading assigned for the week (usually just a few verses). This year, the study centers on the book of Romans. The guide is called Romans – From Guilt to Grace. If there are any men interested in joining this group, please contact me. The group, usually about 16 to 18 in all, meets every Tuesday evening from 7:00 to 8:30 from September to May.*

Don

Pastor Lauren's message continues from the front page

From their resource guide:

> *"In the season of Advent, we wait for the Messiah who will save. And on this path toward Christmas, a thrill of hope creeps over the weary world… We expect Christ to meet us in classrooms and courtrooms, at kitchen tables and hospital bedsides…The miracle of Immanuel did not end in Bethlehem. The thrill of hope persists." [Theme Overview, pg. 7]*

As we enter this new church year, my prayer is that we carry the lessons, the laughter, and the resilience of this past year with us. Let's not just rush into the busy season, but actively look for the ways Christ continues to meet us in the everyday spaces of our lives. Thank you for an unforgettable first year, Hope. I can't wait to see how the thrill of hope continues to unfold among us.

In Christ,

Pastor Lauren

Notes from your Choir Director

Fall greetings to all as we transition from late summer heat to crisp autumn mornings. During those hot days of September and October the choir enjoyed rehearsing in our cool lower level room. You may have noticed that we have two new members in the choir - Minda Hurd and Susan Bell. They are a delightful and welcome addition. Susan has also joined the bell choir. Hank has endured some health problems this fall but is gradually recovering his voice and stamina. This season is a popular time for travel, so each Sunday may have a varying group of singers depending on who is available.

Our Blessing of the Animals outside service on Oct. 4 was a great success. There was a welcoming, relaxed atmosphere as we enjoyed the beautiful weather and the fellowship with some beloved 4-legged friends. The women of the choir displayed their creative interpretation to our special anthem "God Bless the Animals".

November is upon us, which means planning for Advent and Christmas. More voices are wonderful to have for this season, so if you have been thinking about joining us in the choir, this is a perfect time. Advent begins November 29. On December 20, Alex and his jazz musicians will be providing music for the service. His clever instrumental arrangements of familiar carols add a spark to our worship. Christmas Eve will offer a more traditional service with special anthems, carols and bells. On December 27 we will have a carol sing- perhaps including some favorites that haven't been sung yet during the season. The melodies and harmonies of Christmas will fill your hearts with joy.

Preschool Corner: November/December 2026

The children had a fantastic time last month with all their activities! We went to Lemos Farm, we had a fire truck/three firemen come to school and the children were taught about fire safety, and we participated in the Great California Shakeout. To end the month, the children celebrated Halloween. They looked absolutely spook-tecular in all their Halloween costumes as they went on a Halloween parade to the church office and Pastor Lauren's.

The next two months are going to be absolutely packed with learning and holiday magic! Our students can't wait to celebrate Thanksgiving by diving into pilgrim stories, making creative turkey art, and sharing what they are most thankful for. Meanwhile, Christmas cheer is already in the air! The children are showing extra kindness and politeness to each other, hoping Santa is keeping watch. We are keeping the festive spirit alive in class by teaching the importance of Christmas through joyful stories, music, and holiday art. They are extremely excited for their Christmas Performance where they get to sing their favorite Christmas songs for the families in Nielsen Hall.

Last, but certainly not least, during November we will participate in our annual See's Candy Fundraiser which helps fund our Family Night. Please help support the preschool by ordering some delicious chocolate! To place an order, there will be forms in Nielsen Hall. Please return the form to the church office with a check written out to **"Hope Lutheran Preschool"**. The last day to place an order is on Nov 16th, so don't miss your chance to help the preschool!

Blessings, Tracy

From the Desk of our Treasurer

Financial Summary through Q3 2026

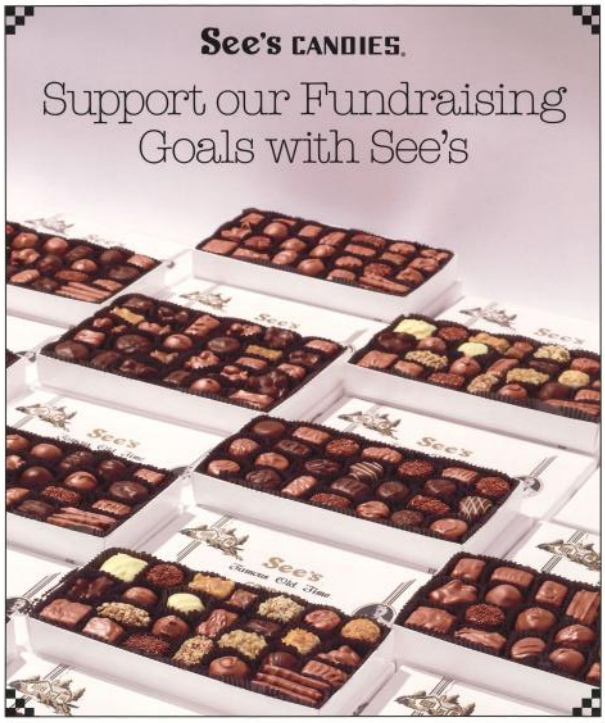

Church net income remains negative with a deficit of $107,000 since expenses are significantly higher than our church income.

The 2026 budget included $85,000 from reserves to cover the planned building maintenance expenses, but unfortunately the deficit is even larger than planned.

Coming Soon - enabling stock donations to take tax advantages of appreciated stock.

Feel free to reach out with any questions.

Frank Lin

Order forms are available in Nielsen Hall or outside the church office. **Last day to order is Monday November 16.**

"Save the Sanctuary!" 2026 Challenge Campaign

That may be a little melodramatic, but as you've seen and heard there's been an abundance of work to establish a ladder and safety line to reach the roof with additional work coming to address the roof leak. These have all resulted in extraordinary costs in excess of $80,000, which far exceeds our normal maintenance budget.

Therefore, we're inviting the congregation to contribute towards a challenge campaign to fund these critical repairs. We have been blessed to receive a generous pledge of up to $25,000 to match whatever is raised, so if we can raise $25,000 or more then we can fund $50,000 towards the ladder, safety line, and roof repair. This will be a significant step towards addressing these expenses.

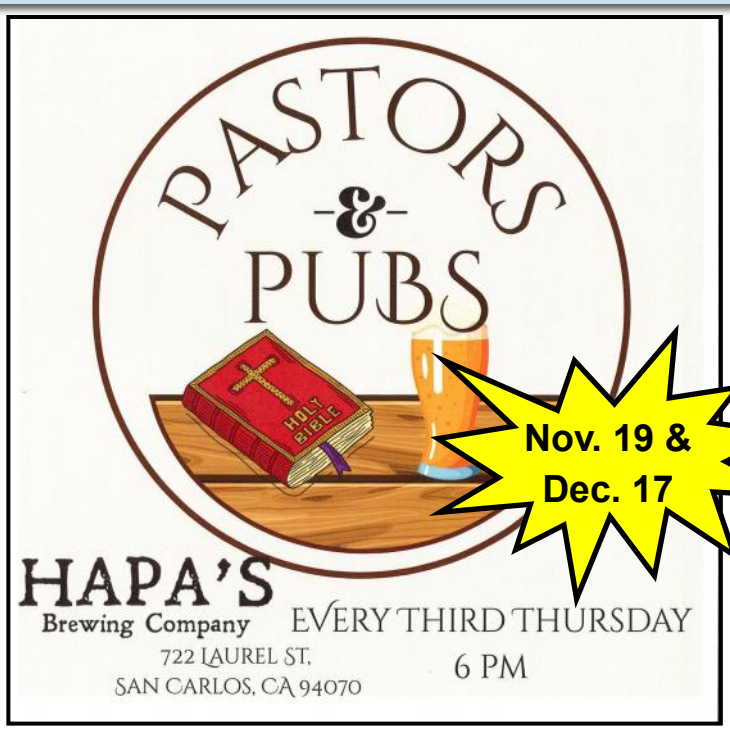

Your past generosity has been greatly appreciated, and hopefully God's blessings can enable support for the challenge campaign to maintain the beauty and functionality of our sanctuary. Please indicate any gifts towards the challenge campaign by writing "Challenge Campaign" in the memo line of your check, or reach out to Frank Lin as Treasurer with any other needs. Our campaign will run through the end of 2026.

In His Name,

Council of Hope Lutheran Church

Advent and Christmas at Hope

Mid-Week Advent Worship

Advent is, at its core, a season of waiting. We spend these four weeks waiting for the birth of the Christ-child. And often in the church, it is a season of waiting to sing our favorite Christmas hymns.

The church's version of the Christmas season is actually one of the shortest seasons in the church year—just 12 days long, spanning from December 25 to January 6. That short span only gives us two Sundays to sing Christmas carols together, leaving so many beautiful Christmas hymns unsung

This year, Pastor Josh Serrano at Holy Trinity came up with a brilliant idea: "What if we didn't wait for Christmas? What if we came together and started singing some Christmas music during Advent?"

I was totally on board! Building on our shared services from Lent, we are partnering with two other peninsula churches for three special midweek gatherings, starting with a soup supper and then moving into a time of worship centered around music, prayer, and the Advent themes of Peace, Joy, and Love. Holy Communion will also be served at each service.

I hope you are able to be a part of these services, especially when it is Hope's turn to host, December 16.

- **December 2** Holy Trinity Lutheran Church, San Carlos *(149 Manzanita Ave)*
- **December 9** St. Andrews Lutheran Church, San Mateo *(1501 El Camino Real)*
- **December 16** Hope Lutheran Church

Soup suppers begin at 6p at all sites, with worship starting around 6:45.

Pr. Lauren

Hope's Upcoming Evangelism Events

I am notorious in my family for being an advance planner. I reminded everyone to give me their Christmas lists at the beginning of October! As we enter the waiting season of Advent, things paradoxically get very hectic and busy, and if you're anything like me, you'll want to make sure a few dates are set in your calendar!

We will be decorating our sanctuary and Neilson Hall on the Tuesday before Thanksgiving, November 24th starting at 10am.

On Saturday, December 5, we will be gathering at 9am to make Lefse. The following weekend (Sunday the 13th) will be our annual International Brunch potluck during Café Hope.

Our cookie exchange will be on the following Sunday (December 20th).

In all the whirlwind of events, I pray that we all find the Hope, Peace Joy and Love that the season promises (and maybe some cookies too…)

Evelyn Gertsch, Evangelism Chair

Cookie Exchange Rules

Sunday December 20, 2026 During Café Hope

We will have a table set out in Nielsen Hall for our COOKIE EXCHANGE. The rules are very simple:

1) Make a batch of your favorite Christmas cookies.
2) Bring as many cookies as you would like to take home (bring a dozen, take a dozen home).
3) We will provide plastic zipper bags for you to pack up your goodies to enjoy at home with family and friends.

Christmas Decorating @ Hope

Tuesday November 24th at 10am

Volunteers are needed to decorate both the sanctuary and Nielsen Hall. This is a time to feed your creative juices – and have a good time while making our worship spaces welcoming for all who join us, in person and on line, for services. There are many tasks for all "creative" levels!

Christmas Jazz Worship

Sunday December 20 at 10am

On Sunday, December 20, Hope will offer a special worship service featuring a Jazz Quintet led by our Bell Choir Director, Alex Bootzin. This Christmas worship engages the congregation in singing the first verse of many of their favorite carols, listening to the Jazz Band's improvisations, and then singing a final verse along with the energetic jazz arrangement.

The ensemble includes piano, double bass, drums, a lead singer, and a flute/sax player. This same group played at Hope for the previous two Christmas worship services, and also for this year's Fall Rally Day service on September 13.

This is a wonderful opportunity to invite friends, family or neighbors to a unique service. People who are not necessarily jazz fans (or church-goers) will enjoy this worship as a different way of experiencing church and the Christmas message.
